

Konstantinos Orfeas Kiourtidis

Software Engineer | Web Developer

I'm a passionate web developer with a strong foundation in IT, graduating from The American College of Greece, Deree, with a major in Information Technology. I am eager to apply my knowledge and skills to real-world projects and contribute meaningfully to the industry. I am enthusiastic about embracing new challenges, collaborating with diverse teams, and continuously learning and evolving in the dynamic world of technology. I am now actively seeking opportunities to kickstart my career as a web developer and make a positive impact in the industry.

Let's build something amazing together!
